49 20ftx8ft Barn door container with quantity of drainage pipe and BT cable, Dixons number 40
50 20ftx8ft Lock door container with interior wooden shelving frame, Dixons number 38, with key
51 20x8ft Barn door container with interior shelving frame, fitted with electrics, Dixons number 58
52 10x12ft Site office portacabbin, with key
53 20x8ft Barn door container, Dixons number 85
54 20x8ft Barn door container, wooden shelving fitted,includes small selection of timber, Dixons number 88
55 Double toilet container, Dixons number 28
56 20x8ft Barn door container, Dixons number 70
57 20x8ft Barn door container, Dixons number 52
58 20x8ft Barn door container, Dixons number 53
59 Two single toilet units
60 20x8ft Lock door container, Dixons number 45
61 20x8ft Barn door container, Dixons number 66
62 Large selection of glazed pvc windows and glazed timber frame windows, (inside lot 63)
63 20x8ft Barn door container, Dixons number 78
64 20x8ft Barn door container, Dixons number 80
65 20x8ft Barn door container, includes small selection of PVC trim, Dixons number 61
66 20x10ft Canteen container with windows, includes contents, Dixons number 13, with key
67 20x8ft Barn door container, Dixons number 51
68 20x8ft Barn door container, Dixons number 77
69 20x8ft Barn door container, includes contents, Dixons number 62
70 20x8ft Lock door container, Dixons number 37, with key
71 Twin toilet block, Dixons number 24, with key
72 20x8ft Barn door container, Dixons number 39
73 20x8ft Lock door container, Dixons number 36
74 20x8ft Barn door container, Dixons number 100
75 Double toilet unit and single toilet unit, Dixons number 22
76 20x10ft Site Office container and contents, Dixons number 14, with key
77 20x8ft Barn door container, Dixons number 57
78 40x8ft Barn door container, Dixons number 5
79 20x8ft Barn door container, Dixons number 50
80 10x10ft Container, Dixons number 83
81 20x10ft Container, Dixons number 44
82 20x10ft Canteen Container
83 20x8ft Office Container with side windows, Dixons number 46
84 Quantity of site fencing including feet and jointing brackets approx 100 pieces
85 Quantity of site fencing including feet and jointing brackets
86 20x8ft steel site office/canteen with electrics, Dixons number 10
87 20x8ft Barn door container, Dixons number 1
88 20x8ft Barn door container, Dixons number 59
89 20x8ft Container with side windows and door
90 20x8ft Container with side door and windows
91 Set of forklift toes
92 Pair of skips
93 Pair of block grabs complete with safety nets
94 2007 JCB cradle
95 2016 Commodore cement mixer
96 NC engineering road brush, 8ft
97 2007 JCB crane attachment
98 Pair of skips max load 2000kg
99 NC engineering 8ft roadbrush
100 McQuaid, hydraulic forklift mounted block grab, max weight 2000kg

101 Scott forklift cradle
102 Four steel road plates
103 Pair of approximately 8ft site gates and posts
104 Large selection of sewage drainage pipes, PVC guttering, manhole risers and various pipe fittings and joints. To include rack
105 37 Moore concrete storage bay panels
106 Two sections of Instant Spandeck with hand rail, larger approximately 20ft, smaller approximately 13ft
107 Pair of skips, maximum load 2000kg
108 Nilfidk Alto Neptune2 electric power washer with lance and brush, cupboard not included
109 Two UGO pax- flat podium
110 Pair of 110 volt multi-output boxes.
111 Large selection of lifting chains and cables
112 Pro power generator and Honda vibrating poker engine
113 Two 110 Volt multi-output site boxes.
114 Large selection of UPVC cladding/fascia board
115 Honda powered HP 60 MK11 power pack and JCB rock hammer
116 Honda powered water pump and Honda 110 volt generator
117 Bigga hydraulic auger and hydraulic jack hammer
118 Selection of building material, includes white cement/kiln dried sand and bitumen paint
119 approximately 40x4ft and 40x6ft builders planks
120 16 Tins of manor paint and primer (mixed lot)
121 Large selection of brick vents/chimney flashing and floor DPC
122 Quantity of plaster and tiling beads
123 Complete contents of room
124 Two Kaynote roof windows CPO2T 550x988mm and TRF 02 550x980mm
125 Banding machine and extra tape and corner protection clips
126 Section of pallet racking and plumbing contents
127 Complete contents of two racks to include Enkadrain B10, UPVC fascia, tile trim, plywood sheets and selection of doors
128 Complete content of timber rack
129 Approximately 28 wooden doors some with complete frames
130 Large selection of timber on wall rack and on trestles
131 Large quantity of UPVC doors in frames and some wooden doors
132 Vast selection of site and road signs
133 UPVC doors and side lights
134 Mixed selection of UPVC and wooden doors
135 Two Steam master wall paper strippers,Bosch 25 L vac Milwaukee ASE1400 vac, bins, dust sheets etc
136 Mixed lot of wall, floor tiles and adhesive
137 Leica laser theodolite and staff
138 Topcon theodolite staff and tripod
139 Dewalt 9-inch grinder, Jepson 9-inch grinder and Bosch 4-inch, all 110V.
140 Topcon theodolite staff and tripod
141 Heavy duty product trolley approximately 8x4ft
142 Robin EH17 vibrating plate and jerry can
143 Stihl concrete saw
144 110V tile lifter
145 Stihl concrete saw
146 Bosch kango hammer and Milwaukee drill and attachments, 110V
147 Makita 110V screw gun and 110V splitter box
148 Bosch jigsaw and Bosch GSR 6 25, both 110V and Bosch battery drill and charger
149 Two MD2000 dispensers and EXP88 Hilti gun

150 Splt nail gun and 110V Splt hammer drill
151 Pasloe impulse nail gun and DeWalt battery drill
152 Stihl concrete saw, no blade
153 GP1600 vibrating plate with Honda engine
154 110V tile lifter with 110V box and extension lead
155 Stihl concrete saw, no blade
156 DeWalt DW614 router, 110V site light and Makita 110V drill
157 Milwaukee hammer drill and 110V orbital super sawzall
158 Milwaukee 110V hammer drill, 9inch grinder and 110V extension lead.
159 Panasonic battery drill, Hitachi 110V electric drill and 220V extension lead
160 Two 6ft Step ladders and one 4ft step ladder
161 Complete contents of store room
162 Red Rad space heater and extension lead
163 Pallet truck
164 Evolution chop saw and 110V Hitachi C8FSE chop saw
165 Pasloe nail gun and 110V Makita reciprocating saw
166 CAT3 and CSCOPE cable detectors
167 Panasonic 24V battery hammer drill and Bosch GSH11 hammer drill
168 Bosch kangoo drill and Hitachi DH240p drill
169 Hitachi UVP hammer drill 110V and Makita sanding tool 110V
170 Bosch kango drill 110V and Panasonic EY6813 battery hammer drill
171 Master workshop heater
172 Belle petrol mixer on stand and Stihl concrete saw
173 Complete contents of store, more images to follow
174 Barrowmix and Jefferson petrol cement mixers on stands
175 2200kg Pallet truck
176 Jefferson petrol cement mixer (no stand)
177 Three Double extension ladders and two roofing ladders
178 Large quantity of aluminium scaffold tower
179 Two Petrol cement mixers on stands
180 Eight Wall supports
181 Quality Kingspan thermabate
182 Approximately 65 Acro props and cages
183 Three forklift skips
184 Pair of extendable forklift toes
185 20x8ft container
186 Approximately 60 temporary hand rail supports
187 20x8ft Container with side door and windows, fitted as a canteen, with electrics and plumbing, with key
188 Pair of metal scafolding step frames
189 Quantity of concrete products
190 Quantity of dropped kerbs
191 Large selection of sills of various sizes
192 Range of flags and couping stones
193 Concrete blocks, bricks, reinforced heads and flue liners
194 Ornamental stone and faced blocks
195 Paving brick
196 Roofing products and ridge tiles
197 Quantity of facing brick and dog legs
198 Fork lift attachment for lifting carpet etc
199 Contents of rack, MDF, skirting, door frame and tongue and groove
200 Selection of extension ladders and two roofing ladders
201 Quantity of trestles

202 Range of concrete products in compound
203 Quantity of timber fencing/ chain link wire and galvanised cloths line poles
204 Approximately 49 bags of de-icing salt
205 20x8ft Barn door container with large wooden shelving frame and fitted with electrics
206 Double toilet container, approximately 9x4ft
207 Pair of 2000kg forklift skips
208 Approximately 70 plastic safety barriers
209 Quantity of shed cladding
210 Selection of concrete pipes and sewage risers/ manhole tops
211 8x4 plywood site hoarding boards
212 H iron beams and approximately 16 sheets of reinforcement mesh
213 Powder coated fence panels
214 13 Site barricades/ weights
215 20x8ft Barn door container
216 Crane block attachment
217 Site block grab
218 3 digger buckets
219 Twin toilet block, number 26
220 Quantity of second hand doors
221 20ftx10ft Canteen portacabbin and contents, fitted with plumbing and electrics
222 20ftx8ft Barn door container, Dixons number 55
223 Pair of single toilets, Dixons number 18 & 6
224 20ft steel site container (W/Court)
225 OLD LOT 12 - 2006 Liebherr 42 K Mark ONE 42 metre self erecting tower crane
